### **Deborah Levine – Membership**

Deborah said that no new members signed up at Greenfest. New member hikes, designed to attract members that are hesitant to come out, are planned through August. The chapter is trying to plan at least one new member hike each month. There are no specific guidelines for these hikes – they're listed in regular outings, with a note that new members are especially welcome. Deborah is calling new members as they join – lists of 10-15 names were distributed to willing XC members.

The July & Aug hikes are all planned. Dave has been calling leaders, and the leader list is getting smaller, but of higher quality, as a result. Ian set up (or is setting up?) a new leadership listserve.
